QUILTING FRAME-

A1 Now Has Options Available!

(Begin shipping Jan. 1st)

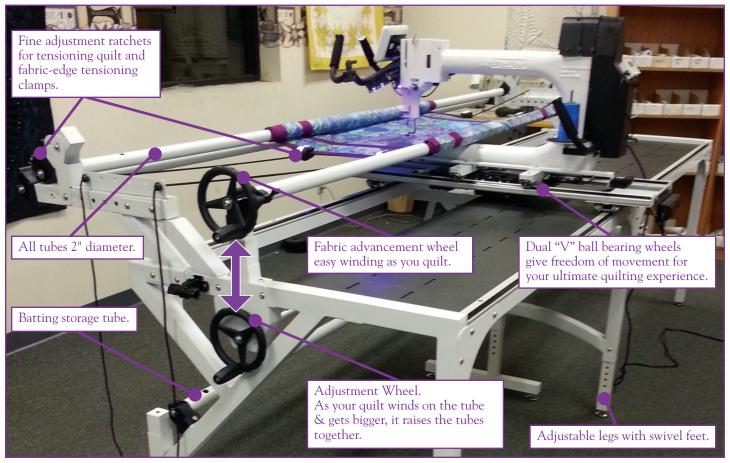

A1 understands that you value Quality, Price and Performance. We have listened to what you want and need in a Frame and, announce yet another lil A1 secret...the Symphony Quilting Frame! The Symphony can be set up as a 5' or a 10' frame, or you can opt for the 2' Extension kit, and make it a 12' frame. A1 realizes some of you may have limited space and some of you may only do small projects-whatever your quilting journey is, wherever your creativity takes you, we want to be a part of it! A1 is giving you the tools to empower yourself in our Elite Platinum, "Smoothest Machine on Earth", coupled with our new Symphony Quilting Frame at a Great Price! We want everyone to be able to own an A1! How many tops do you have ready to Quilt?? The dream of owning an A1 is about to become a reality!

Your search is over...!

Symphony

QUILTING FRAME-

Batting access pivoting 2" tube allows for smoothing batting.

Frame adjusts to 2 different styles of tube placement, for your own preference.

Frame adjusts to fit the Horizon, our 31" machine, for your quilting of larger areas, before rolling.
